IIT Bombay, Arcelor Mittal, CNES, EDF, Vitesse and others are using Scilab. Do you want to listen to their success stories?

Tired of paying up front and annual fees for your numerical computational software?

Do your engineers need to share licenses because it's too expensive to have their own license?

Nervous about switching to open source because of perceived lack of industrial grade support?

A solution is now here!

Navgathi

Programming Workshop with Scilab

Venue:
The Renai Cochin (formerly The Renaissance Cochin)
Palarivattom, Kochi - 682025
Ph: 91-484-2344463

Time:
5th Aug, 2011
9:00 AM to 4:30 PM

Description
Scilab is an open source software for numerical computation and is an alternative to MATLAB. Scilab is presently used by more than 3 million users in industrial and academic research. Equalis has partnered with Scilab to provide industrial grade support and services to Scilab users.

Abstract
Scilab, XCos and ATOMS modules are powerful combination of software tools to solve problems in Numerical Computation, Simulation, Signal Processing, Image Processing, Control Systems, Optimization and several other areas.

Who should attend?
Engineers, scientists, designers, researchers, and professors doing work on simulation, modeling, control system, test and measurement, data acquisition, embedded systems and other areas in aerospace, automotive, marine, offshore, defense, manufacturing, IT hardware and software and other industries.

About the Presenter
Dhanushkodi is the CEO of TechPassion. He holds a B-Tech in Mechanical Engineering from Indian Institute of Technology (IIT Madras) and Masters in Mechanical Engineering from Massachusetts Institute of Technology (MIT). Before founding TechPassion he was Research Engineer at General Electric Global Research Center.

Event Schedule

S.No.	Time	Details	Topic
1	9:00 AM	Registration	
2	9:30 - 11:00		Overview of Scilab, Equalis SOS Programs with Industry success stories
3	11:00 - 11:15	Tea	
4	11:15 - 12:45		Demonstration of ATOMS Modules
5	12:45 - 13:45	Lunch	
6	13:45 - 15:00		Demonstrations in Signal Processing, Image Processing, GUI Development
7	15:00 - 15:15	Tea	
8	15:15 - 16:30		Demonstrations of Scilab-excel link toolbox, File read and write, Data Acquisition

REGISTRATION FORM
(Programming Wokshop with Scilab)

Training Venue:
The Renai Cochin (formerly The Renaissance Cochin)
Palarivattom, Kochi - 682025

Registration Fee: ₹.1500

* Above fee inclusive of taxes cover Lunch and Tea
Registration fee is payable as a cheque/DD in favor of
"Navgathi Marine Design & Constructions Pvt. Ltd." payable at Kochi and send to the office

Navgathi Marine Design & Constructions Pvt. Ltd.
III/131, Near Social Center
Kalamassery, Kochi - 683104

*Recommend bringing your laptop for a very interactive session
